What Did Mary See?

1. What were you able to see with a fresh perspective, through the eyes of Mary, during the message today?
2. What thoughts about your own mother came to mind when you reflected on Mary's thoughts from today's message?
3. What do you see when you think about Jesus' death on the cross? Has this truth impacted you personally? If not, what is standing in the way with you having a personal relationship with Jesus Christ?
