LIFE VS CHOICE

Abortion has been consistently presented by the church as wrong.

"If people are fighting and hit a pregnant woman and she gives birth prematurely [or has a miscarriage] but there is no serious injury, the offender must be fined whatever the woman's husband demands and the court allows. But if there is serious injury, you are to take life for life, eye for eye, tooth for tooth, hand for hand, foot for foot, burn for burn, wound for wound, bruise for bruise."

Exodus 21:22-25

⚖️⚰️ For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth. Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.

Psalms 139:13-16

⚠️⚖️⚰️ You shall not murder a child by abortion nor kill them when born."

Didache 2:2, circa 90AD

"What reason would we have to commit murder when we say that women who use drugs to induce abortions commit murder, and will have to give account of it to God? For the same person would not regard the fetus in the womb as a living, created being, and therefore an object of God's care, and at the same time slay it once it had come to life. ... (W)e are altogether consistent in our conduct."

Athenagoras, AD 177
