

HEARTWIRED

GO FISH

Matthew 28:16-20 • Matthew 4:19

1. What were some points in Kory's message today that had the most impact on you?
2. "I will make you fishers of men."—Matthew 4:19. How do you relate to the concept of "fishing"? How about "catch & release"?
3. We heard how Alex is using how God has heartwired him to be on mission through sharing technology with bible translations. Last week we heard from Steven then about his ministry that God heartwired him for out of his story of adoption. Take some time to think about and share how God has heartwired you for mission.
4. How will you take what you heard and learned today and apply it to your week? Share with your group, and pray for courage to take these steps.
