Central is on Mission

NOTE: There are more questions below than you are expected to answer. Please just choose a few that are relevant for your personal reflection & application.

1. What was your major takeaway?
2. When have you prayed for a need - then became the solution? How can you use what you learned in the experience to encourage others?
3. What have you learned about the compassion of Jesus? How can you replicate this type of compassion in your own life?
4. Scale (1-7). What is your priority... Personal agenda vs. The needs of others? Explain.
5. As a result of this message, how do you resolve to live differently in this area?
6. When have you cared for someone and it didn't make a difference in their lives? How did you feel? What did you glean from this experience?
7. What do you learn from Jesus' example when it comes to meeting the needs of others? How can you implement this lesson in your circle of influence?
8. Ministry/ Transformation happens one person at a time. How does this motivate you to holistically care for the needs of others?
