2. The deacons were focused on reaching the Jews, the people like them. But the Greeks, the unchurched, were reached by the everyday members of the church. Which group are you drawn toward?
3. Craig said that 47% of people here in Holland are unchurched. What can you do to reduce that number and increase the Kingdom of God?
4. The laymen of the church were the ones pushing the boundaries of the church, not relying on the church leaders. Do you push the boundaries of the church, or do you allocate that task to church leaders?
5. The 3 signs of grace: We proclaim the Gospel; We overcome, being more optimistic of grace than pessimistic of sin; We sacrifice for the advance of the Gospel, with joy. How are these three things going in your life? What needs to change?
