Questions:

1. Does the peace of Christ rule in your heart? If so, how do you know? If not, what needs to change?
2. Let's say you gather your family, friends, church community, coworkers, classmates, the waiter or waitress at the last restaurant you visited, and the cashier at the gas station all in one room. What would they say you are sowing?
3. Has the Lord laid a specific action step on your heart today? How do you feel led to respond?
