

WEEKLY ACTIVITY

WEEK 3 PRODUCTIVITY

This week's topic focuses on productivity, specifically as it relates to the way that the actions of a person who has a servant's mind-set will always lead to impacted lives.

This activity has you group define certain words to ensure everyone one is "reading from the same page". This exercise takes about 10 minutes, and will help establish the common ground needed for participants to truly understand the servant mind as an *expression*, not a *concession*. The only equipment needed are some sheets of paper and marking pens.

1. Divide the group into teams of three or four.
2. Over the next two minutes, ask the teams to come up with a list of five of the most important words related to the subject of service.
3. At the end of two minutes, ask each team to tell you their words as you write them on a piece of 11x14 paper, eliminating duplicates.
4. Now select one word (the one you feel is most important, and place a star in front of it.
5. Have the teams define that word.

.....

Finish the activity, and open your time together in prayer by thanking God for giving us strong minds that can be a blessing to others as we have opportunity to serve them. Ask Jesus to show each of us ways to serve others in the week to come.
