

What are the Odds?

Kory Cassell • 4 JUNE 2023

1. Is there anything or anyone in your life that is stealing your attention away from God? What or who is that and why does their attention matter to you?
2. Is there anything going on in your life right now that you think God may be using to get your attention? If so what is it and is it working?
3. Elijah asked the people three times for their water and some didn't give until the final time. Why do you think it is harder for some of us to obey right away than it is for others?
4. If you are currently giving tithes and offerings how have you seen God work in and through that in your own life? If you are not, what is stopping you?
