WATER'S
EDGE 

Water's Edge Sundays express our
commitment to be an effective and truly
holistic model of missional generosity.

5 Global Giants

1. Spiritual Emptiness
2. Self-serving Leadership
3. Multi-faceted Illiteracy
4. Disease
5. Poverty & Injustice

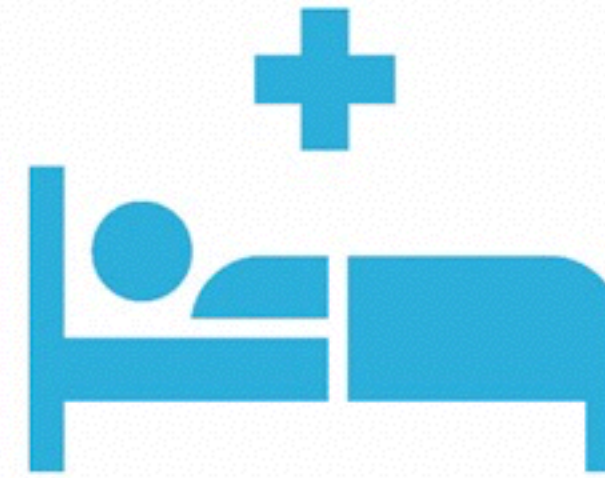

How Poverty Works

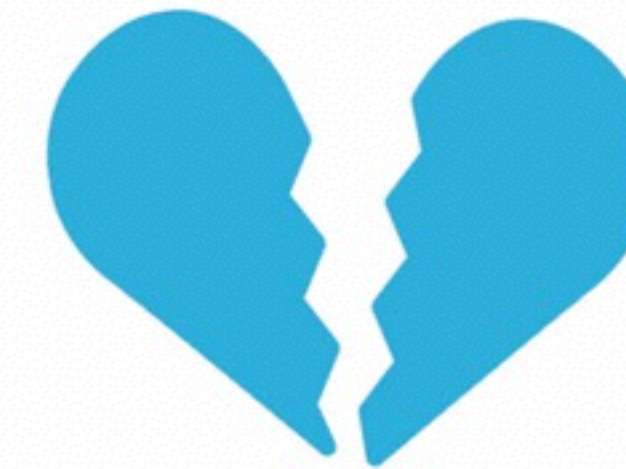

Psychological

Poverty torments the exploited and abused

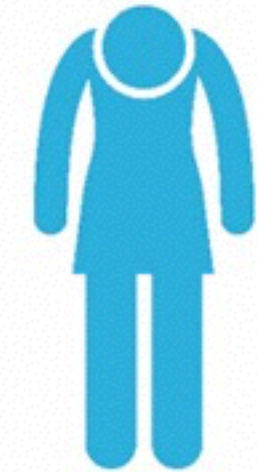

Physical

Poverty plagues the sick and diseased

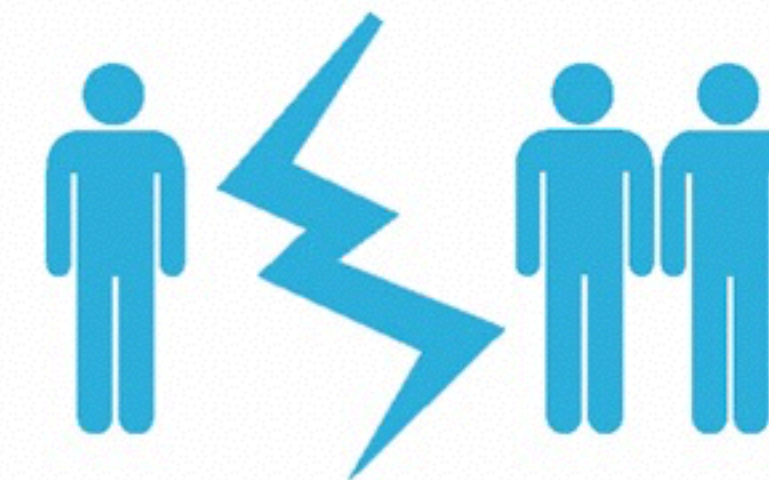

Emotional

Poverty deceives the depressed and hopeless

Spiritual

Poverty devours the lost and oppressed

Relational

Poverty traps the abandoned and alone

**POVERTY IS ABOUT RELATIONSHIPS THAT DON'T WORK,
THAT ISOLATE, THAT ABANDON AND DEVALUE.**

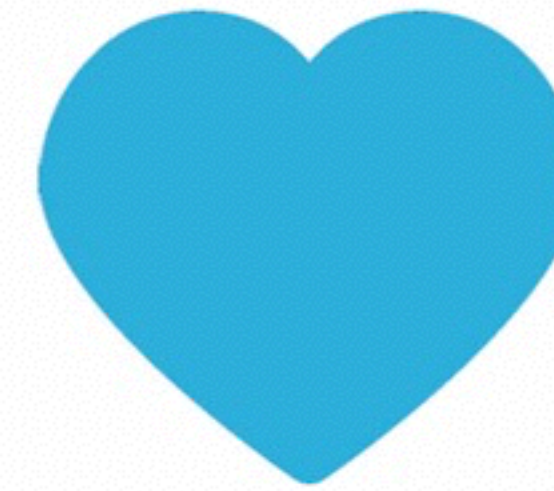

Transformational ministry works to restore these five areas and creates just and right relationships with God, with self, with community and with the “other.”

WHEN A PERSON BREAKS FREE FROM POVERTY,

everything changes.

“The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord’s favor.”

Luke 4:18-19

“In God’s sight all human beings are poor. The non-poor have a different set of problems to be sure, not the least of which is that God hates idolatry, injustice, oppression, and any attempt to play God’s role in the life of anyone else.”

Bryant Myers

“Both the poor and the non-poor need to recover their true identity and their true vocation. Everyone is in need of transformation.”

Bryant Myers
