Weston Stutz

BIG IDEA:

3. Do you believe there is a difference between honor and respect? Explain.
4. What does it say about how much God values honor, in that the only one of the 10 commandments in scripture that has a blessing attached to obedience is the one about honor? Why do you think God values honor this much?
5. Share a way you can practice showing greater honor this week as a way to honor the Lord? (Even share about specific story, person, or action)
